

Emily Madeline Tuzzolo

On August 7, 2004 Emily was attending a family picnic at Elks Camp Barrett. At about 1:30 p.m. Emily being 3 years old and her cousin decided to go swimming at the pool. Emily put on her ring and got into the pool. At a blink of an eye Emily dropped through the ring into the water. The water was about 5 foot, way over her head. By the time the life guard dove into the pool Emily had used her skills that she has learned from **Kids First Swim School** to swim towards the edge of the pool where she reached the ladder and climbed out.

On behalf of my whole family **The Tuzzolo's** we would like to thank **Kids First Swim School**. If it wasn't for the great teachers and staff I might not be writing this.

*Thank you,
Lucinda M. Tuzzolo*
